

Dr. Yatin Khanna

Dr. Yatin Khanna is a Maxillofacial Prosthodontist. He received his Bachelor of Dental Surgery (BDS) from the University of Pune, India in 1997. He then completed a General Practice Residency from Bharati Vidyapeeth's Dental College and Hospital in 1998. Dr. Khanna did private practice for one year in Bahrain.

Dr. Khanna received his DDS from University of Detroit Mercy School of Dentistry in 2005, Certificate in Prosthodontics from University of Medicine and Dentistry of New Jersey in 2002, Fellowship in Oral Implantology from Harvard School of Dental Medicine in 2003, Fellowship in Maxillofacial Prosthetics and Dental Oncology from Memorial Sloan Kettering Cancer Center in 2006. Dr. Khanna is currently an assistant professor in the Department of Restorative Dentistry at New Jersey Dental School and an attending at the JFK Medical Center while additionally practicing in several locations (Manhattan, Morristown, Edison). Dr. Khanna lectures locally and internationally on Restorative and Implant Dentistry.

Numerous treatment options exist for edentulous patients, however, achieving consistent and predictable treatment outcomes can be challenging in everyday practice.

Join us and learn how to evaluate, diagnose & plan for successful implant supported prostheses.
